Explore the sights of Ushuaia such as the museums and Argentinean leather markets or continue relaxing at the hotel. Attend the optional evening briefing for the opportunity to ask questions and meet some of your fellow travelers.

Day 3, Embarkation

Spend your morning exploring Ushuaia or unwinding at the resort until our mid-afternoon transfer to the ship. Our Expedition Team and ship staff will greet you on board, followed by a safety and orientation briefing and Captain's welcome dinner.

Day 4-5, Drake Passage

Join our Polar Experts as they teach you about everything Antarctic, from wildlife to history; participate in our renowned Citizen Science program; or sit back and take in this fabled journey while catching exciting glimpses of wildlife. Grab your binoculars to identify the many seabirds that follow the ship as we cross the Antarctic Convergence into Antarctic waters and noticeably cooler temperatures.

Day 6-7, South Shetland Islands

The volcanic South Shetland Islands offer amazing abundance and beauty, so we'll hop into our inflatable Zodiac boats and spend as much time as possible exploring. Be prepared to

marvel up close at nature's glory!

Day 8-10, Antarctica

Here we'll explore any number of picturesque bays and famed harbors, maneuvering through majestic channels as we travel the wildlife-rich waters. There are great opportunities to stop at several active scientific bases and historic landing sites as we spot numerous species of penguins, seals, and whales along the rugged coastlines and in the sea.

Day 11-12, Drake Passage

We leave this magical place and make our way north, once again crossing the legendary Drake Passage. We have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and a final meal together.

Day 13, Ushuaia Disembarkation

With huge smiles on weary, content faces, we disembark in the morning, letting you catch a flight to Buenos Aires or stay in Ushuaia for more sights and adventure.

BUILT/REFURBISHED:

A WORLD-CLASS SMALL SHIP EXPERIENCE Seaventure features a 1-A Super ice class rating -- the highest ice class awarded to passenger vessels. This means that we will be able to explore coves, bays, and channels that would previously have been forbidden to us. The ship also offers a host of new activities. There's a sauna, a fitness center, a custom-built citizen science lab, and heated saltwater pool. There is more storage space, which is important because it means we can carry more equipment, so that more of our guests can participate in activities like kayaking, snowshoeing, and camping. The common areas are larger and beautifully appointed, and the ship has two. Antarctica is a uniquely challenging environment, one that Seaventure is supremely prepared for. Its state-of-the-art stabilizing system provides safe, comfortable passage through even rough seas, and its ice rating is second-to-none in these waters. This means Seaventure can usher you into places (and amazing experiences) that regularly turn away lesser and larger ships. Seaventure features an outer viewing deck that circles the entire ship, and an outdoor dining area and heliport where we host events whenever weather permits. Indoors, our elegant dining areas and spacious

presentation room surround you with oversized windows, so you'll never have to miss a passing iceberg or an impromptu sighting of a Humpback or school of Orcas. Even our treadmills and ellipticals keep your eyes trained on the mesmerizing Antarctic landscape.
